

Spring Protocols

Effective 6/15

Protocols subject to change in accordance with NYS or CDC guidelines

Adults

- Masks are optional for all during play both indoors and outdoors.
- Fully vaccinated persons do not need to wear a mask anywhere.
- Unvaccinated persons should wear a mask in the lobby, locker rooms and any indoor area (except on court).
- Locker rooms and shower facilities are now available.
- Bring your own water and towel. A bottle filler is in the lobby and bottled water is available for sale (\$1 - cash only).

Juniors

- Masks are optional for outdoor play.
- Masks are required for indoor play and in the lobby, rest rooms and any indoor area at all times.
- Temperature checks to be conducted by RRC staff for indoor play. If temperature is over 100 degrees, player will need to leave the facility.
- Social distancing should be followed indoors and outdoors.
- No spectators, parents, babysitters are permitted inside the lobby areas. Outdoor viewing is permitted.
- Bring your own water and towel. A bottle filler is in the lobby, water coolers are on the outside courts and bottled water is available for sale (\$1 - cash only).

Pros

- Masks are optional for outdoor classes/practices/private lessons.
- Fully vaccinated staff are not required to wear masks for indoor classes and lessons, or in any indoor area.
- Unvaccinated staff are required to wear masks for indoor group lessons, team practices, but not for semi-private or private lessons. Masks should be worn in any indoor area. *Note: All our pro staff will be fully vaccinated as of 6/21/21.

USTA Matches

- Masks are optional during play both indoors and outdoors.
- Fully vaccinated persons do not need to wear a mask anywhere.
- Unvaccinated persons are required to wear a mask in the lobby, locker rooms and any indoor area (except on court).
- RRC teams should make every effort to have a captain or acting captain at home matches who is not in the lineup.
- Players should try to arrive no earlier than 10 minutes prior to match time.
- 1 non-playing spectator from each team is permitted (indoors and outdoors).
- Players should bring their own water and towel. A bottle filler is in the lobby and bottled water is available for sale (\$1 - cash only).
- Waiver to be completed by away team players and non-playing spectator.
- When weather permits, the garage door on court 5 will be open and outdoor viewing is permitted. Non-playing spectators should be limited as per above. Players from both teams are permitted to view matches from this area.

- Upon completion of matches, players may watch matches from inside the lobby area. Alternately, if a court is empty, players can sit on the green chairs on the courts to watch remaining matches.
- Refreshments: each team can bring their own refreshments. There will be a separate, designated area for each team to set up their refreshments outside only. Players may bring their individual portions of food and drink in the lobby area to view remaining matches. Once all matches are completed, please congregate in the designated outdoor areas. (Indoor matches – home team should use the back patio, away team should use the Court 6 patio area. Outdoor matches – home team should use Court 9 patio area, away team should use Court 6 patio).
*Please do not set up refreshments by the Court 5 garage door.

MITL Matches

- Masks are optional during play.
- Vaccinated persons do not need to wear a mask anywhere.
- Unvaccinated persons should wear a mask in the lobby, locker rooms and any indoor area.
- 1 non-playing spectator from each team is permitted.
- Water is available in the large coolers between the courts.
- Players should bring their own towel.
- Waiver to be completed by away team players and non-playing spectators.
- Warm up courts are available at 9am. Match time is 9:30am and play should begin by 9:40am.
- Players are welcome to stay after their match and watch.
- Light refreshments will be available – individual portions, such as oranges or bananas.

We appreciate everyone's assistance and cooperation with adhering to our protocols this Spring Season.

PLAY SAFELY!
